

- Coretex is a market leader in advanced fleet and compliance management telematics
- 13 multi-billion dollar customers depend on Coretex

-  The leading telematics solution for the construction industry in Australasia,
-  The second largest provider for transport refrigeration in North America.
-  The second company granted the right to collect Electronic Road User Charges on behalf of the New Zealand government, collecting millions of dollars in road user charges each week.

OUR MISSION

**Making fleets safer, greener, more productive for a better world.**

WHAT WE DO

**Coretex lives in your City**

STRATEGIC VISION

**Coretex lives in your city**

WE FUND IT 	WE BUILD IT 	WE MOVE IT 	WE FEED IT 	WE CLEAN IT 
---	--	---	---	--

Building towards our mission of a Safer, Greener and More Productive Society

STRATEGIC VISION

### Coretex lives in your city

<b>WE FUND IT</b> 	<b>WE BUILD IT</b> 	<b>WE MOVE IT</b> 	<b>WE FEED IT</b> 	<b>WE CLEAN IT</b> 
Collecting Federal and State taxes to fund new or upgraded transport infrastructure.	More cubic yards hauled per vehicle, per man hour.	Safer deliveries with fewer vehicles, using less fuel with happier drivers.	Farm to fork, ensuring food is transported safely and efficiently throughout the cold chain.	Proof of service and managing routes and safety in waste and recycling.
