Status of the Revisions to the Modeling Guideline

- **Beta-AERMOD 02081 (released March, 2002): Corrections to reported bugs and completion of reports (e.g., consequence, evaluation, user's guides, model formulation) will be available by mid-summer. Will update website information as updates occur.**

- **Beta- CALPUFF (released October, 2001): (FAQ's, CALPUFF-SCREEN, DATSAV-met).**

- **Regulation package essentially ready. Likely will forward for approvals late-summer (questions remain on new-administration and new-managers).**
